Come run with the other turkeys and work up an appetite for that Thanksgiving dinner. We will be giving frozen turkeys for the nearest predicted times. Overall Male/Female, and the top 24 predictors will be awarded the birds. (NO WATCHES ALLOWED). For the kids, we will have a 1 mile fun run at 8:40 with the participants eligible for a couple of birds. Afterwards, enjoy the Nature Center and we will serve beverages and doughnut holes. You will still have plenty of time to get back home for your Thanksgiving Dinner.

Please reserve your spot and preregistered fee via the online link on the Prairie State Road Runners home page. Payment will be collected on race day. This will speed up the registration process for all.
